Dearest Creation of God:

I pray that this letter reaches you in the most prosperous time of your life. Our prayer is that all of God's people be blessed and loved. This letter is sent to you by divine order and through sincere prayer in hopes that you like many of God's people see the vision. The Harvest Center is a loving organization with a group of sincere people who want to see others blessed. We are asking, like Jesus did, for you to give to the poor. (Psalm 41:1-3) Your blessings are predicated upon whom you give to and how you give, not how much you give because the widow woman gave only two mites. (Luke 21:2-3) So it is when you give, give to meet the need and give the best you have to give. It is then when we will have good success when we see the poor and give to them. (Proverbs 28:27)

We are asking that you give as little as one penny a day for one year. You may can and want to give more and if so do so; It is the more you give, the more he will give back to you. There are pressed down blessings in store for the giver. (Luke 6:38)

A. Friend  
1st John 3:17 Ave.  
Promise Land, Heaven 77777

Dear Friend,

You and I serve a God of miracles!

And if you didn't believe that before, you will once you've read Linda's\* story. It's an **INCREDIBLE TESTIMONY TO GOD'S HEALING POWER.** The same power He wants to put to work for you!

Married 10 years, and the mother of three children, Linda was devastated when her husband walked out. After all the affairs she had forgiven.... the cold, dark nights with no electricity, heat or water because he had taken a "time-out" from work.

**How could he add this.... the FINAL INDIGNITY OF UTTER REJECTION? He did. That was the low point of Linda's life. Yet God was at work.**

So often that's the way it is. The darkest hours of our lives arrive just before dawn. We agonize before the Lord in prayer. The pain of our labor is intense. But as we birth the victory He has placed inside us, it is oh, so worth it all! Linda can tell you. In the depth of her sorrow, she pleaded with God for a new husband. If she had only known how He would answer! If only she'd understood how effective united prayers are when the saints cry out to their heavenly Father. We are praying to our heavenly Father for partners like you to support us in our endeavor to meet the needs, with a gift of \$31 today and help us feed the hungry, shelter the homeless, etc.

Then **TAKE YOUR TRUST IN GOD TO A WHOLE NEW LEVEL!** Sow a seed to reap victory in your life and in the lives of hurting people everywhere with your additional gift of \$15 or more. So many women around you.... and men and children too.... are in incredible pain, with no relief in sight! You can offer them hope for healing and reconciliation through your generous love gift. And what of Linda? I am glad you asked. She attended a conference, where God began to speak to her about her marriage. She did not understand-- she had, you'll remember, asked God for a new husband. But the Spirit was clearly telling her that the "new husband" He had in mind was the old one, made into **A NEW MAN BY THE POWER OF GOD.** And that is exactly what God did. Linda and her husband lived rejoicefully in Christ together. But many others like her still live lives that are so messed up. For their sake, please make the gift you send today your best gift. Know that whatever gift you are able to send will be deeply appreciated. I look forward to hearing from you!

Your servant in the Gospel,
